

Universität Osnabrück
Visiting the Institut für Mathematik
Staying at the Steigenberger Hotel

Directions from the Hauptbahnhof to Steigenberger Hotel (Natruper-Tor-Wall 1).

By bus

1. From the Hauptbahnhof, take the bus 31 or 33 in the direction Heger Friedhof or Attersee.
2. Get off at the stop Heger Tor (5 stops).
3. Go back a few meters towards the intersection. (You're currently walking on Lotter Straße.)
4. Turn left on Natruper-Tor-Wall. That's the big intersection with the traffic light.
5. Walk about five minutes on Natruper-Tor-Wall. The hotel will be on your left, just past the Stadthaus, up some stairs.

Alternate bus route – with a transfer but slightly less walking

1. From the Hauptbahnhof, take the bus 31 or 33 in the direction Heger Friedhof or Attersee, or the 21 or 22 in the direction Atterfeld or Campus Westerberg.
2. Get off at the stop Neumarkt (2 stops).
3. Transfer onto the bus 11, in the direction Westerkappeln or Wersen or Eversburg-Büren.
4. Get off at the stop Reißmüllerplatz (4 stops).
5. From the bus stop, the hotel is just across Natruper Straße (on your left when you were on the bus).

Directions from Steigenberger Hotel (Natruper-Tor-Wall 1) to the Institut für Mathematik (Albrechtstraße 28a).

Walking (recommended)

1. As you leave the hotel, go left onto Natruper Straße.
2. Turn left on Gutenbergstraße.
3. Turn right on Corsicaskamp.
4. When you reach the end of the street, turn left. This segment is still called Corsicaskamp.
5. When you reach the end of that segment, continue straight ahead onto the pedestrian path (surrounded by trees). The path will exit onto Schoellerstraße.
6. Continue straight ahead on Schoellerstraße, which ends at Albrechtstraße, with the bus stop just on your left. Turn right on Albrechtstraße.
7. Cross Albrechtstraße. The math building is NOT the big building in front of you with the grayish dark yellow windows, but rather the next building, smaller, half hidden behind trees, with bright yellow window sills. It's building 69.

Here are the walking directions on Google Maps:

By bus (not recommended)

1. As you leave the hotel, cross Natrufer Straße and go to the bus stop Reißmüllerplatz.
2. Take the bus 11; the direction should be Westerkappeln or Wersen or Eversburg-Büren.
3. Get off at the stop Sedanplatz (3 stops).
4. Go back a few meters to the intersection and turn right on Albrechtstraße, i.e., cross Natrufer Straße.
5. Walk on Albrechtstraße about three minutes. The math building will be the first building on your right after the grassy area.
